

## William H. Pickering – Publications

---

***Control and Telemetry for Corporal E***, Pickering, W. H. JPL Progress Report No. 4-15, May 15, 1945.

***Control Performance of Rounds 1 and 3 of Corporal E***, Parks, R. J. and W. H. Pickering, JPL Progress Report No. 4-58, February 25, 1948.

***Corporal Guidance and Control***, Pickering, W. H. and Parks, R. J., JPL Progress Report No. 4-128, December 14, 1950.

***Evaluation of Electronic Systems for the Determination of a Missile Trajectory***, Reedy, P. H. and W. H. Pickering, JPL Progress Report No. 18-2, January 18, 1950.

***External Instrumentation for NAMTC : the Instrumentation Problem***, Pickering, W. H. and J. A. Young, JPL Progress Report No. 10-2, June 6, 1947.

***External Instrumentation for NAMTC : Timing and Communication***, Pickering, W. H. and J. A. Young, JPL Progress Report No. 10-3, June 6, 1947.

***External Instrumentation for NAMTC : Optical Tracking Equipment***, Pickering, W. H. and J. A. Young, JPL Progress Report No. 10-5, June 26, 1947.

***External Instrumentation for NAMTC : Reduction of Data***, Pickering, W. H., JPL Progress Report No. 10-7, August 11, 1947.

***External Instrumentation for NAMTC : the Radio and Radar Tracking Problem***, Pickering, W. H. and J. A. Young, JPL Progress Report No. 10-6, August 14, 1947.

***External Instrumentation for NAMTC : Recommendations***, Pickering, W. H. and J. A. Young, JPL Progress Report No. 10-9, August 20, 1947.

***Field-Test Summary of Round 5 of the Ordait Test Vehicle RTV-G-2***, Meeks, P. J., Pickering, W. H., R. F. Rose, and R. B. Rypinski, JPL Progress Report No. 4-126, August 11, 1950.

***The Grand Tour***, Pickering, W.H., *American Scientist*, Vol. 58, No. 2, pp. 148-155, March-April 1970.

***History of Ordnance Research at the Jet Propulsion Laboratory***, 1 June 1953 through 31 December 1954, Pickering, W. H., JPL Publication No. 45, May 1, 1955.

***Man in Space***, Pickering, W. H., JPL External Publication No. 494. (Published in *Vistas in Astronautics*, Vol. II, Second AFOSR Astronautics Symposium jointly Sponsored by AFOSR and SAE; Society of Automotive Engineers Inc., New York, N. Y., 1959.)

***Mariner IV Mission To Mars (Part II)***, Pickering, W. H., et al, JPL Technical Report No. 32-782. (Reprinted from *Astronautics and Aeronautics*, Vol. 3, No. 10, October 1965, pp. 20-43)

***Naval Air Missile Test Center Range Extension: General Considerations***, Pickering, W. H. and P. H. Reedy, JPL Progress Report No. 18-1, November 1, 1949.

***Naval Air Missile Test Center Range Instrumentation: Electronic Ship-Location Systems***, Reedy, P. H. and W. H. Pickering, JPL Progress Report No. 18-6, May 24, 1950.

**Naval Air Missile Test Center Range Instrumentation: Proposed Interim Solution for the Intercept Problem**, Reedy, P. H. and W. H. Pickering, JPL Progress Report No. 18-5, January 23, 1950.

**Preliminary Cost Estimate of External Instrumentation for NAMTC**, Pickering, W. H., F. W. Lehan, and J. A. Young, JPL Progress Report No. 10-1, December 1, 1946.

**Report on Visits to British Guided-Weapon Activities**, August 1953, Pickering, W. H., JPL Publication No. 34, August 30, 1954.

**Results of the IGY Satellite Program**, Pickering, W. H., JPL External Publication No. 574. (Published in *Proceedings of the National Electronics Conference*, October 1958.)

**Some Practical Considerations in Technology Transfer**, Pickering, W. H., AAS (American Astronautical Society) Science and Technology Book Series, Vol. 29, pp. 39-46, 1972.

**Stardust on the Bar : Space Fallout in Criminalistics**, Pickering, W. H., *Journal of Forensic Sciences*, Vol. 19, No. 2, pp. 227-232, April 1974.

**Study of the Upper Atmosphere by Means of Rockets**, Pickering, W. H., JPL Publication No. 8, June 20, 1947.

**The United States Satellite Tracking Program**, Pickering, W. H., JPL External Publication No. 518. (Published as *Geophysical Monograph* No. 2, American Geophysical Union, July 1958.)
